

**KNIGHTS OF COLUMBUS
DESOTO COUNCIL 6
MAY NEWSLETTER**

Membership Meeting - The May Membership meeting is scheduled for Wednesday, May 5th at the KofC Hall. There are significant issues to be determined at this meeting so all members are encouraged to attend. There will be refreshments served after the meeting. **BE THERE!!**

Dues Increase - The Officers of the Council have recommended that we raise the annual dues. For many years Council 6 has charged \$25 for annual dues. Because of increasing costs of running the council a motion has been made to raise dues to \$35 annually. We will vote on this issue at the May meeting.

Nomination of Officers - The Nominating Committee will report at the May Council meeting on the recommended slate of officers for the next fraternal year. This is an important event for the future of our council and all members are encouraged to attend.

APRIL EVENTS- The month of April was special for Council 6. The Priest Recognition event was a tremendous success as 14 priests from the area were honored and over 150 guests attended. Doug Sienna cooked an incredible meal and the committee did a fantastic job in running this event. Thanks to Dave Masse, Dick Czapiga, Frank Golden, Bob Vess, Tony Gumkowski, Jim Gannuscio, the wives who helped decorate and anyone else who contributed to this event. In addition, **the DOM MALAQUIAS** Memorial Blood Drive was held the following week and collected the third highest amount of pints of blood in the long history of this event. The first Arts and Crafts Show will occur on May 1st and it is expected to do extremely well. **GO KNIGHTS!** Every event was well done and we should be proud!!!
